

Music and Dance Presentation Viewing Guide

Complete the questions as you move through the Prezi presentation. Each time you click the arrow you will be taken to a new section of the presentation. This symbol → means you should move to the next section. Please type your answers and turn it in.

You can see a picture of the screen below-click where the **PINK** arrow is to make the image full screen, on the **GREEN** arrow to move through the presentation -- and **BLUE** arrow to explore on your own

1. In what ways are music and dance connected?

2. You see a quote by Agnes DeMille; what do you think she means when she says "Bodies never lie."

3. What is Traditional dance?

Watch movie of the Zulu Tribe

Watch movie of Celtic Step Dance

Watch movie of the Hula

4. How does the music relate to these dances? Would the dances be as traditional or have meaning without the music? Why or why not?

Read the definition of Classical Dance

Watch the Ballet video

Watch the theatrical vide

5. What type of body movements were similar between the two classical dances?

6. Was the music the same or different between the two videos? What specific musical aspects did you notice?

As you move through the next movies of Popular Dances, match the definition of the dance style with the title.

- | | | |
|-------------|-------|--|
